RE: Joint Application of Haig Point Utility Company, Inc. and CK Materials, LLC
for Approval of the Sale, Transfer of Stock, Assets and Operating Authority of Haig
Point Utility Company, Inc.
Docket No. 2007-414-W/S

Dear Mr. Beach:

We are in receipt of your letter dated April 3, 2008 to the Honorable Charles L.A. Terreni in which you stated Haig Point Club and Community Association, Inc. ("HPCCA") was without response to its First Requests for Production submitted to CK Materials, LLC on February 26, 2008 (the "Request for Production") and therefore unable to file testimony in the above-referenced docket.

With regards to the said Requests for Production, at this time HPCCA has sufficient information to evaluate their position. Furthermore, HPCCA has not provided sufficient relevance for the requested information. CK Materials, LLC's response to each individual request is as follows:

1. Please provide a current balance sheet or other document reflecting all assets and liabilities of CK Materials, LLC.

RESPONSE: This request is irrelevant to this proceeding. As defined by the State Primary Drinking Water Regulations (SPDWR), a "viable water system" is a water system that is self-sustaining and had the commitment and the technical, managerial and financial capability to consistently comply with the State Safe Drinking Water Act (SDWA). At this time Attorney

Beach is in possession of a Letter of Intent to provide Performance Bonds in the amount of Three Hundred Fifty Thousand and NO/100 (\$350,000.00) Dollars for both the Water and Sewer Utilities. CK Materials, LLC has taken, or caused to be taken all actions necessary under all Utility and Water Laws to consummate and make effective the Approval of the Sale, Transfer of Stock, Assets and Operating Authority of Haig Point Utility Company, Inc., including furnishing all information required by applicable law in connection with approvals of or filings with any Governmental Authorities.

2. Please provide a current balance sheet or other document reflecting all assets and liabilities of CK Holdings, LLC.

RESPONSE: This request is irrelevant to this proceeding. We are not aware of an entity by the name of CK Holdings, LLC nor is any such entity a party to the above-referenced docket.

3. Please provide a current balance sheet or other document reflecting all assets and liabilities for Jadwiga “Jamie” Karabinchak.

RESPONSE: This request is irrelevant to this proceeding. Jadwiga Karabinchak and “Jamie” Karabinchak are not the same person. Jadwiga Karabinchak is the wife of Mr. Jamie Karabinchak. The purchaser is neither person but rather is CK, Materials, LLC. CK Materials, LLC has taken, or caused to be taken all actions necessary under all Utility and Water Laws to consummate and make effective the Approval of the Sale, Transfer of Stock, Assets and Operating Authority of Haig Point Utility Company, Inc., including furnishing all information required by applicable law in connection with approvals of or filings with any Governmental Authorities. It would be

inappropriate and unnecessary to provide a current balance sheet or other document reflecting all assets and liabilities for Jadwiga Karabinchak.

4. Please provide an income tax return for tax year 2006 for CK Materials, LLC.

RESPONSE: This request is irrelevant to this proceeding. As defined by the State Primary Drinking Water Regulations (SPDWR), a “viable water system” is a water system that is self-sustaining and had the commitment and the technical, managerial and financial capability to consistently comply with the State Safe Drinking Water Act (SDWA). At this time Attorney Beach is in possession of a Letter of Intent to provide Performance Bonds in the amount of Three Hundred Fifty Thousand and NO/100 (\$350,000.00) Dollars for both the Water and Sewer Utilities. A copy of the Letter of Intent is attached hereto. CK Materials, LLC has taken, or caused to be taken all actions necessary under all Utility and Water Laws to consummate and make effective the Approval of the Sale, Transfer of Stock, Assets and Operating Authority of Haig Point Utility Company, Inc., including furnishing all information required by applicable law in connection with approvals of or filings with any Governmental Authorities.

5. Please provide an income tax return for tax year 2006 for CK Holdings, LLC.

RESPONSE: This request is irrelevant to this proceeding. We are not aware of an entity by the name of CK Holdings, LLC nor is any such entity a party to the above-referenced docket.

6. Please provide an income tax return for tax year 2006 for Jadwiga “Jamie” Karabinchak.

RESPONSE: This request is irrelevant to this proceeding. Jadwiga Karabinchak and “Jamie”

Karabinchak are not the same person. Jadwiga Karabinchak is the wife of Mr. Jamie Karabinchak. The purchaser is neither person but rather is CK, Materials, LLC. CK Materials, LLC has taken, or caused to be taken all actions necessary under all Utility and Water Laws to consummate and make effective the Approval of the Sale, Transfer of Stock, Assets and Operating Authority of Haig Point Utility Company, Inc., including furnishing all information required by applicable law in connection with approvals of or filings with any Governmental Authorities. It would be inappropriate and unnecessary to provide a current balance sheet or other document reflecting all assets and liabilities for Jadwiga Karabinchak.

7. Please provide documents indicating the ownership and organizational structure of CK Materials, LLC, including any Operating Agreements.

RESPONSE: This request is irrelevant to this proceeding. CK Materials, LLC has taken, or caused to be taken all actions necessary under all Utility and Water Laws to consummate and make effective the Approval of the Sale, Transfer of Stock, Assets and Operating Authority of Haig Point Utility Company, Inc., including furnishing all information required by applicable law in connection with approvals of or filings with any Governmental Authorities.

8. Please provide documents indicating the ownership and organizational structure of CK Holdings, LLC, including any Operating Agreements.

RESPONSE: This request is irrelevant to this proceeding. We are not aware of an entity by the name of CK Holdings, LLC nor is any such entity a party to the above-referenced docket.

9. Please provide any documents demonstrating the Purchaser's experience in owning and operating a water and/or sewer utility.

RESPONSE: This request is irrelevant to this proceeding. CK Materials, LLC does not have any specific experience in owning and operating a water and/or sewer utility. CK Materials, LLC has retained the services of John Guastella and Guastella Associates, Inc. to provide management for the utility. Mr. Guastella and his firm are nationally recognized experts in the fields of utility regulation, rate-setting, and management.

Sincerely,

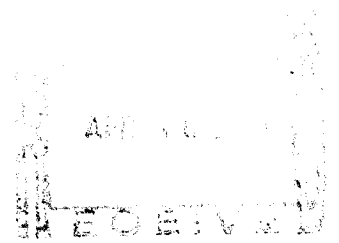

NOVIT & SCARMINACH, P.A.
